NewAgeDental Schedule Policy

Thank you for choosing NewAgeDental as your dental provider. We are proud to have very skilled doctors and up-to-date techniques to save your teeth. We have a very attentive and knowledgeable staff.

Because we are very good, we are very busy. In fact, we are booked one month ahead on an everyday basis. That is why we kindly ask you to keep your appointments and not to be late for your scheduled time. We value all of our patients and would like our patients to value doctor's time and other patient's time also.

If you are late for your procedure it will mean that the doctor will not be able to fully attend you, because of the next scheduled patient. We believe that you will understand our policy to call at least 24 hours in advance, in case of an emergency; otherwise you will be charged \$45 fee.

If you do miss an appointment, the next scheduled appointment will be in at least one month. This may affect the outcome of your treatment. If you miss your appointment twice, in a row, we will dismiss you.

Thank you for your understanding. If you have any questions please feel free to speak with an office manager or your doctor. Thank you for choosing NewAgeDental.
